**Roger
LIVESY**

Roger is a retired aeronautical engineer and is now an academic, and highly qualified university researcher and specialises in social care and community sciences.

Roger was born and raised in Ormskirk in West Lancashire and currently lives in Eythorne.

Roger's mother's ancestors are the Potters of Shepherdswell who migrated North in search of work in the 1800's.

Roger has served on Chorley Borough Council, as the Borough Councillor, served as a governor for many primary and secondary schools and champions disability causes.

Roger hope's now to serve the communities of the Aylesham, Eythorne and Shepherdswell Ward of Dover District Council.

Arun MATHEW

Arun is a carer, married to a nurse, with two children at home. From a Commonwealth background, he came to Kent through his wife's work. He takes a keen interest in cricket and football and supports his boys to play sport at a competitive level.

Arun is a regular attendee at St Finbarrs and a supporter of community action. If elected, he intends to ensure greater support is given to local community groups.

**MaryAnn
RICHARDSON**

I have lived in the District for over thirty-five years.

A wife, mother to three boys, dementia carer, assist in the inspection of care homes for the elderly and vulnerable and a volunteer for various groups including riding for the disabled.

If elected I will endeavour to ensure that the people of Aylesham, Eythorne & Sheperdswell will have the voice that they deserve in the Council.

I will undertake to ensure that a female perspective is bought to the Council in everything they do, particularly regarding safety.

The local constituents voice is a fundamental right and should always be heard.

Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

More new council homes are on the way!

Helping communities with the cost of living

Conservatives know that local families and communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping thousands of people across our District.

Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
