# Local Issues, Local Action, Local Conservatives

Working together for Dover, Deal and the Villages

**Your local Conservative candidate**

## Martin HIBBERT

Since being elected, my priorities have been to deliver on promises made and fighting for the things that matter the most to you.

I have taken time to listen to all residents' concerns, improving our community communications and striving to ensure that your voices continue to be heard post pandemic.

My work has already helped deliver actions on local issues - safer roads, TAP improvements, and local community support services brought direct to you.

Standing again, I will continue to work hard to get things done on your behalf, ensuring that the interest of my ward is fully represented.

- installed many solar panels on our buildings
- upgraded 2750 streetlights to Energy Saving LEDs
- installed 53 new electric vehicle charging points
- returned Kearnsey Abbey to its former glory
- secured over £10 million to restore Maison Dieu

## Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

## Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

**More new council homes are on the way!**

## Helping communities with the cost of living

Conservatives know that local families and communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping thousands of people across our District.

## Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

## Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
