Working together for Dover, Deal and the Villages

Your local Conservative candidates

Jane CARROLE

I am a life long Conservative with an interest in political affairs and feel that Conservatism holds the correct policies to stave away inflation, create jobs and give decent wages to people who work hard.

I am religious and have a passion for looking after animals. I am concerned for the homeless. I believe in equal rights for women and men.

I am positive about allotments and locally sustainable produce as well as creating a cleaner greener environment.

I also support our local nurses and healthcare, especially our excellent Buckland Hospital.

I wish to stand for Councillor because of my vision, my desire to help the Community especially in Buckland.

You will find me friendly and passionate for local issues and am available to talk about any problems you may have.

Paul REYNOLDS

Paul has spent the last twenty years working in social and retirement housing.

He has been an advocate for the rights of tenants in both Council and private sector housing and also sat on adoption panels and chaired charity committees.

Happily married, he has a disabled daughter who has involved him in fundraising for different children's charities.

Christian values are very much part of Paul's daily life. As a councillor he hopes to be a supportive presence in the community, always ready to listen to the people at its heart.

Paul says 'Divisive politics only weakens us as a society. I hope to engage with the whole community to help improve the lives of all residents irrespective of their political standpoint. Anti social behaviour can make living anywhere absolutely miserable that's why I'm determined to do whatever I can to tackle it'

Protecting our environment and heritage

Our Conservative led Council has

- cut its own emissions by 50%
- installed many solar panels on our buildings
- upgraded 2750 streetlights to Energy Saving LEDs
- installed 53 new electric vehicle charging points
- returned Kearnsey Abbey to its former glory
- secured over £10 million to restore Maison Dieu
- won the Keep Britain Tidy Great British Spring Clean Award

Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

More new council homes are on the way!

Helping communities with the cost of living

Conservatives know that local families and communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping thousands of people across our District.

Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
