I welcome the opportunity to serve the residents in the 11 communities of the Dover North division. The villages have many concerns and bring enthusiasm to representing them. I make it my goal to ensure that all the villages get a share of my attention.

The villages have strong parish councils which are an important step to understanding the needs and views of the residents. During this Pandemic, I have made it my practice to ensure that the parish councils have as much information as possible so that they can keep residents aware of the latest news and guidance available.

Much has been accomplished over the last four years but there is still more to do from broadband initiatives to road issues.

I hope I can count on your support on Thursday 6th May
