I would like to introduce myself, I am David Beaney, 32 years old. I have been married for 10 years and have 2 children. I run a local construction company and come into contact with so many residents of the local community.

I appreciated early on how many in the community often have issues from health or disability, financial hardship through to dealing with planning or highways issues. In helping so many I was eventually elected to the role of District Councillor which I have performed alongside running my own business at the same time. I have been a strong voice for the elderly and their quality of life issues.

Like you, I know the importance of local parks and green spaces on the ward having a keen interest in conservation, preserving these open spaces for your enjoyment and that of future generations. I am passionate about village communities and maintain a keen eye on planning and development issues. I will use my business acumen to ensure in the current financial circumstances that services are protected and you get value for money from your council tax.

I hope I can count on your support on Thursday 6th May
