Dover and will work tirelessly to make St
Radigund's the greatest part of Dover”**

Mercedes

I think it is important that everyone in St Radigund's has a voice and I can help that happen.

I'm interested in what the people in St Radigund's want and helping to get that heard by the town council.

I moved to Dover because I think it is a great place to live and has a lot to offer. Like so many places, businesses have been hit hard recently and I'm passionate about helping them get back on their feet and so getting more people in work.

I believe we can all work together to help Dover become a leader in green initiatives, make our streets safe and clean and a wonderful place to live and work.

It would be an honour to represent St Radigund's on the town council as we work to make Dover even greater.
