Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

More new council homes are on the way!

Helping communities with the cost of living

Conservatives know that local communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping many thousands of people across our District.

Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep the council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
