Your local Conservative candidates

Martin BATES

is a retired Border Force officer who lives with his family in Eythorne.

He was elected as your District

Councillor in 2019 since when he has worked on 186 issues from individual residents.

These included concerns around the street lighting in Burgoyne Heights, protection of the Conservation Areas in Kingsdown and St Margarets, planning issues in Great Mongeham and Ripple, street lighting and dog fouling in East Langdon.

He is also the Cabinet Portfolio Holder for Transport, Licensing and Regulatory Services and a member of the Planning and Licensing Committees.

Martin is proud to represent such a resilient community and looks forward to being able to do so in the future.

Oliver RICHARDSON

Having been first selected as a Councillor to the Ward in 2019 I have found it incredibly rewarding.

Helping constituents in over 180 enquiries, helping with the protection of Conservation Areas and ensuring that the District's Estate reduces its carbon emissions by over 50% by helping with LED lights in street lighting especially in Burgoyne Heights.

Having spent many years in the Army, and now the District's Armed Forces Champion, I know that working as a team enables things to get done.

I have been honoured to represent the Ward over the last four years and with your vote would be honoured to represent you for a further four.

- upgraded 2750 streetlights to Energy Saving LEDs
- installed 53 new electric vehicle charging points
- returned Kearnsey Abbey to its former glory

Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

More new council homes are on the way!

Helping communities with the cost of living

Conservatives know that local families and communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping thousands of people across our District.

Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
