Working together for Dover, Deal and the Villages

David HAWKES

Having been given the opportunity by residents of Mill Hill to represent them since May 2021, may I say what a privilege

it has been and one I would love to continue.

I would add that I am, and remain a Mill Hill Ward resident myself,

I have met many residents over this time, listened and worked with them, particularly on delivering the new Jubilee Play Park off Cowdrey Square, I have had meetings with local residents to help with local issues and requests.

I have been an active member on a number of Dover District Council Committees, and I remain committed to the pledges I made in 2021.

To Listen, Support and Campaign for ALL residents of the Mill Hill Ward"

Thank you,

David

Christian BURWASH

I am delighted to be standing for election in Mill Hill. I went to nursery as a 3 year old at Upper Linwood (now the Gym) half way up Mill Hill, I lived at Bruce Close at the bottom of Mill Hil and I went to primary school at St Marys near the top of Mill Hill. To say I know the area well is an understatement!

I currently live at Selway Court off of Cowdray Square. I shop in the shops on Mill Hill and have played snooker (badly) and attended functions at the Welfare Club.

Knowing the area well I believe I know the improvements that can be made. I would like to see a 20MPH zone up Mill Hill itself but would remove most of the speed bumps which won't be needed and cause serious pollution. I would like to see a bench put in near the Upper Co-Op as older people often struggle to go to the shop and back in one go.

Protecting our environment and heritage

Our Conservative led Council has

- cut its own emissions by 50%
- installed many solar panels on our buildings
- upgraded 2750 streetlights to Energy Saving LEDs
- installed 53 new electric vehicle charging points
- returned Kearnsey Abbey to its former glory
- secured over £10 million to restore Maison Dieu

Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

More new council homes are on the way!

Helping communities with the cost of living

Conservatives know that local families and communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping thousands of people across our District.

Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
