# Local Issues, Local Action, Local Conservatives

Working together for Dover, Deal and the Villages

## Your local Conservative candidates

**Peter JULL** was born & raised in Mongeham, after a career in banking locally and while running retail businesses locally, he has been an inveterate volunteer serving as District Councillor, Town councillor, Chairman of the Chamber of Trade, almshouses trustee, internal drainage board member, long distance walking group organiser and until recently a school governor and scout group treasurer. He works to the maxim that by achieving a lot of little things a lot can be accomplished. In local politics he takes a particular interest in planning policy.

**John MORGAN**, like Peter is a keen supporter of Kent County Cricket and also volunteers as a litter picker. After a career as a legal executive at a local solicitors he is more active, regularly playing tennis, cycling & walking. A long standing local member, he remembers the period when Labour ran DDC and the broken budgets and disaffected staff that ensued. He encourages voters to ensure that doesn't happen again.

### Keeping council tax lower

Mindful of the rising cost of living Conservatives running Dover District Council kept the change in council tax down to 2.5% last year. Meanwhile local Labour were putting your council tax in Deal up by 16% and the local Green party in Walmer put your council tax up by 17%. Can you afford not to vote for your local Conservatives?

### New road to access new jobs

Too many people have to commute to Dover or Sandwich for work. A priority is more light industrial units behind Hutchings accessed by completing the relief road leading directly to the A258 Betteshanger roundabout so North Deal traffic doesn't have to squeeze through congested Upper Deal each rush hour.

### For your convenience...

Through Conservatives judicious money management and use of the Council's in house maintenance team the main town centre ladies & gents toilets in King Street have been refurbished to a high standard. The fittings are of vandal proof quality ceramics to keep them as inviting as they now are.
