Working together for Dover, Deal and the Villages

Your local Conservative candidates

Andy CALDER

I will give all the residents of St Radigunds a voice on the District Council, just like I have been standing up for them over the last 2 years on Dover Town Council.

I have lived in Dover for over 35 years and understand the issues affecting our Town.

I want to see empty properties that need refurbishing, brought into use for local people.

I feel very passionate about homelessness and will support the council with its ambitious project to create new homes for those in need.

I will continue to promote the good work being done by community groups that are doing such good work in the area.

Andy

Brenda COLLINS

Hello, I am Brenda Collins and have lived and worked in Dover for over 20 years.

In the past I have been involved in supporting the soup kitchen, the Royal British Legion, the Street Pastors and have assisted Emmaus to raise funds through my previous hobby of World War II re-enactment.

I intend to work tirelessly to improve St Radigunds to make it a cleaner and safer place to live.

I will be campaigning to reinstate the evening bus services which have been taken away.

Please feel free to give me any suggestions you may have on improving the community for us all.

Brenda

Protecting our environment and heritage

Our Conservative led Council has

- cut its own emissions by 50%
- installed many solar panels on our buildings
- upgraded 2750 streetlights to Energy Saving LEDs
- installed 53 new electric vehicle charging points
- returned Kearnsey Abbey to its former glory
- secured over £10 million to restore Maison Dieu
- won the Keep Britain Tidy Great British Spring Clean Award

Investing in infrastructure

Your Conservative team has secured record investment for roads and buses, with Kent's first electric bus service starting later this year between Whitfield and Dover. Planning is well underway on the future of Tides in Deal, building on the success of our new District Leisure Centre at Whitfield. Not forgetting £63 million of levelling up investment that will bring new jobs and training and help Keep Dover Clear of congestion.

Providing Council homes for local people

Our Conservative led Dover District Council is delivering an ambitious programme to add 500 new affordable council homes for people in need across the district, as well as shared ownership starter homes.

More new council homes are on the way!

Helping communities with the cost of living

Conservatives know that local families and communities understand their needs best. Last year our Conservative led Council awarded £232,000 to local community groups to fund projects to support households in need, alongside improving community parks.

Over £550,000 of household support grants are helping thousands of people across our District.

Setting the lowest council tax in East Kent

The Conservatives at Dover District Council have been working hard to deliver more and keep council tax as low as possible.

We are committed to keeping council tax the lowest in East Kent, alongside record levels of investment in our local community, and maintaining quality services for residents

Supporting High Streets across the District

We have delivered over £300,000 in grants to upgrade high street shop fronts in Sandwich, Dover and Deal.

We have secured £29 million to regenerate Dover's Town Centre, which has delivered a multi-million-pound facelift for the Market Square, redevelopment of Bench Street, the A20 underpass, and a brand new Creative Quarter.
